

MISHAP WAS RESPONSIBLE

Wishart Hurt Finger, Goddard Went to Pieces

SEM. LOST GAME, 7 TO 0

Italian Athletic Club Proceeded to Take Advantage of Goddard's Misfortune and Walked Away with Yesterday Afternoon's Game.

Goddard's hopes of winning its tenth consecutive victory suffered a violent reverse yesterday afternoon at Bangor's field, when the Italian Athletics walked off the field with a 7 to 0 shutout safely stowed away in their hat-bag. Up to the seventh inning, things looked like an exciting struggle, but at his time a finger injury to Wishart compelled him to retire and, in his being replaced by Coby, the whole seminary infield received a bad shaking-up.

In the last half of the fateful seventh, hits by Bruggi and Francesco and an error by White furnished material for the two runs which spelled defeat for Goddard. A collection of four errors, a single by Francesco and a two-bagger by Comelli brought five more in the eighth. A series of brilliant legerdemain stunts, pulled off by Goddard with the aid of the ball, also added to the general excitement of the inning. In all, a total of ten errors was credited to the seminary players, against one for the Italians.

Wisher, with Comelli on the receiving end, did himself proud, striking out seven men and allowing only three hits. Only in the third and fifth innings did the seminary men reach third base. Line catches by Tomazzi and Scott, and Comelli's clean swing into center for two bases, were the only features of the game. The score:—

TO TALK BASEBALL.

Rutland Fans Invited to Meet Next Wednesday.

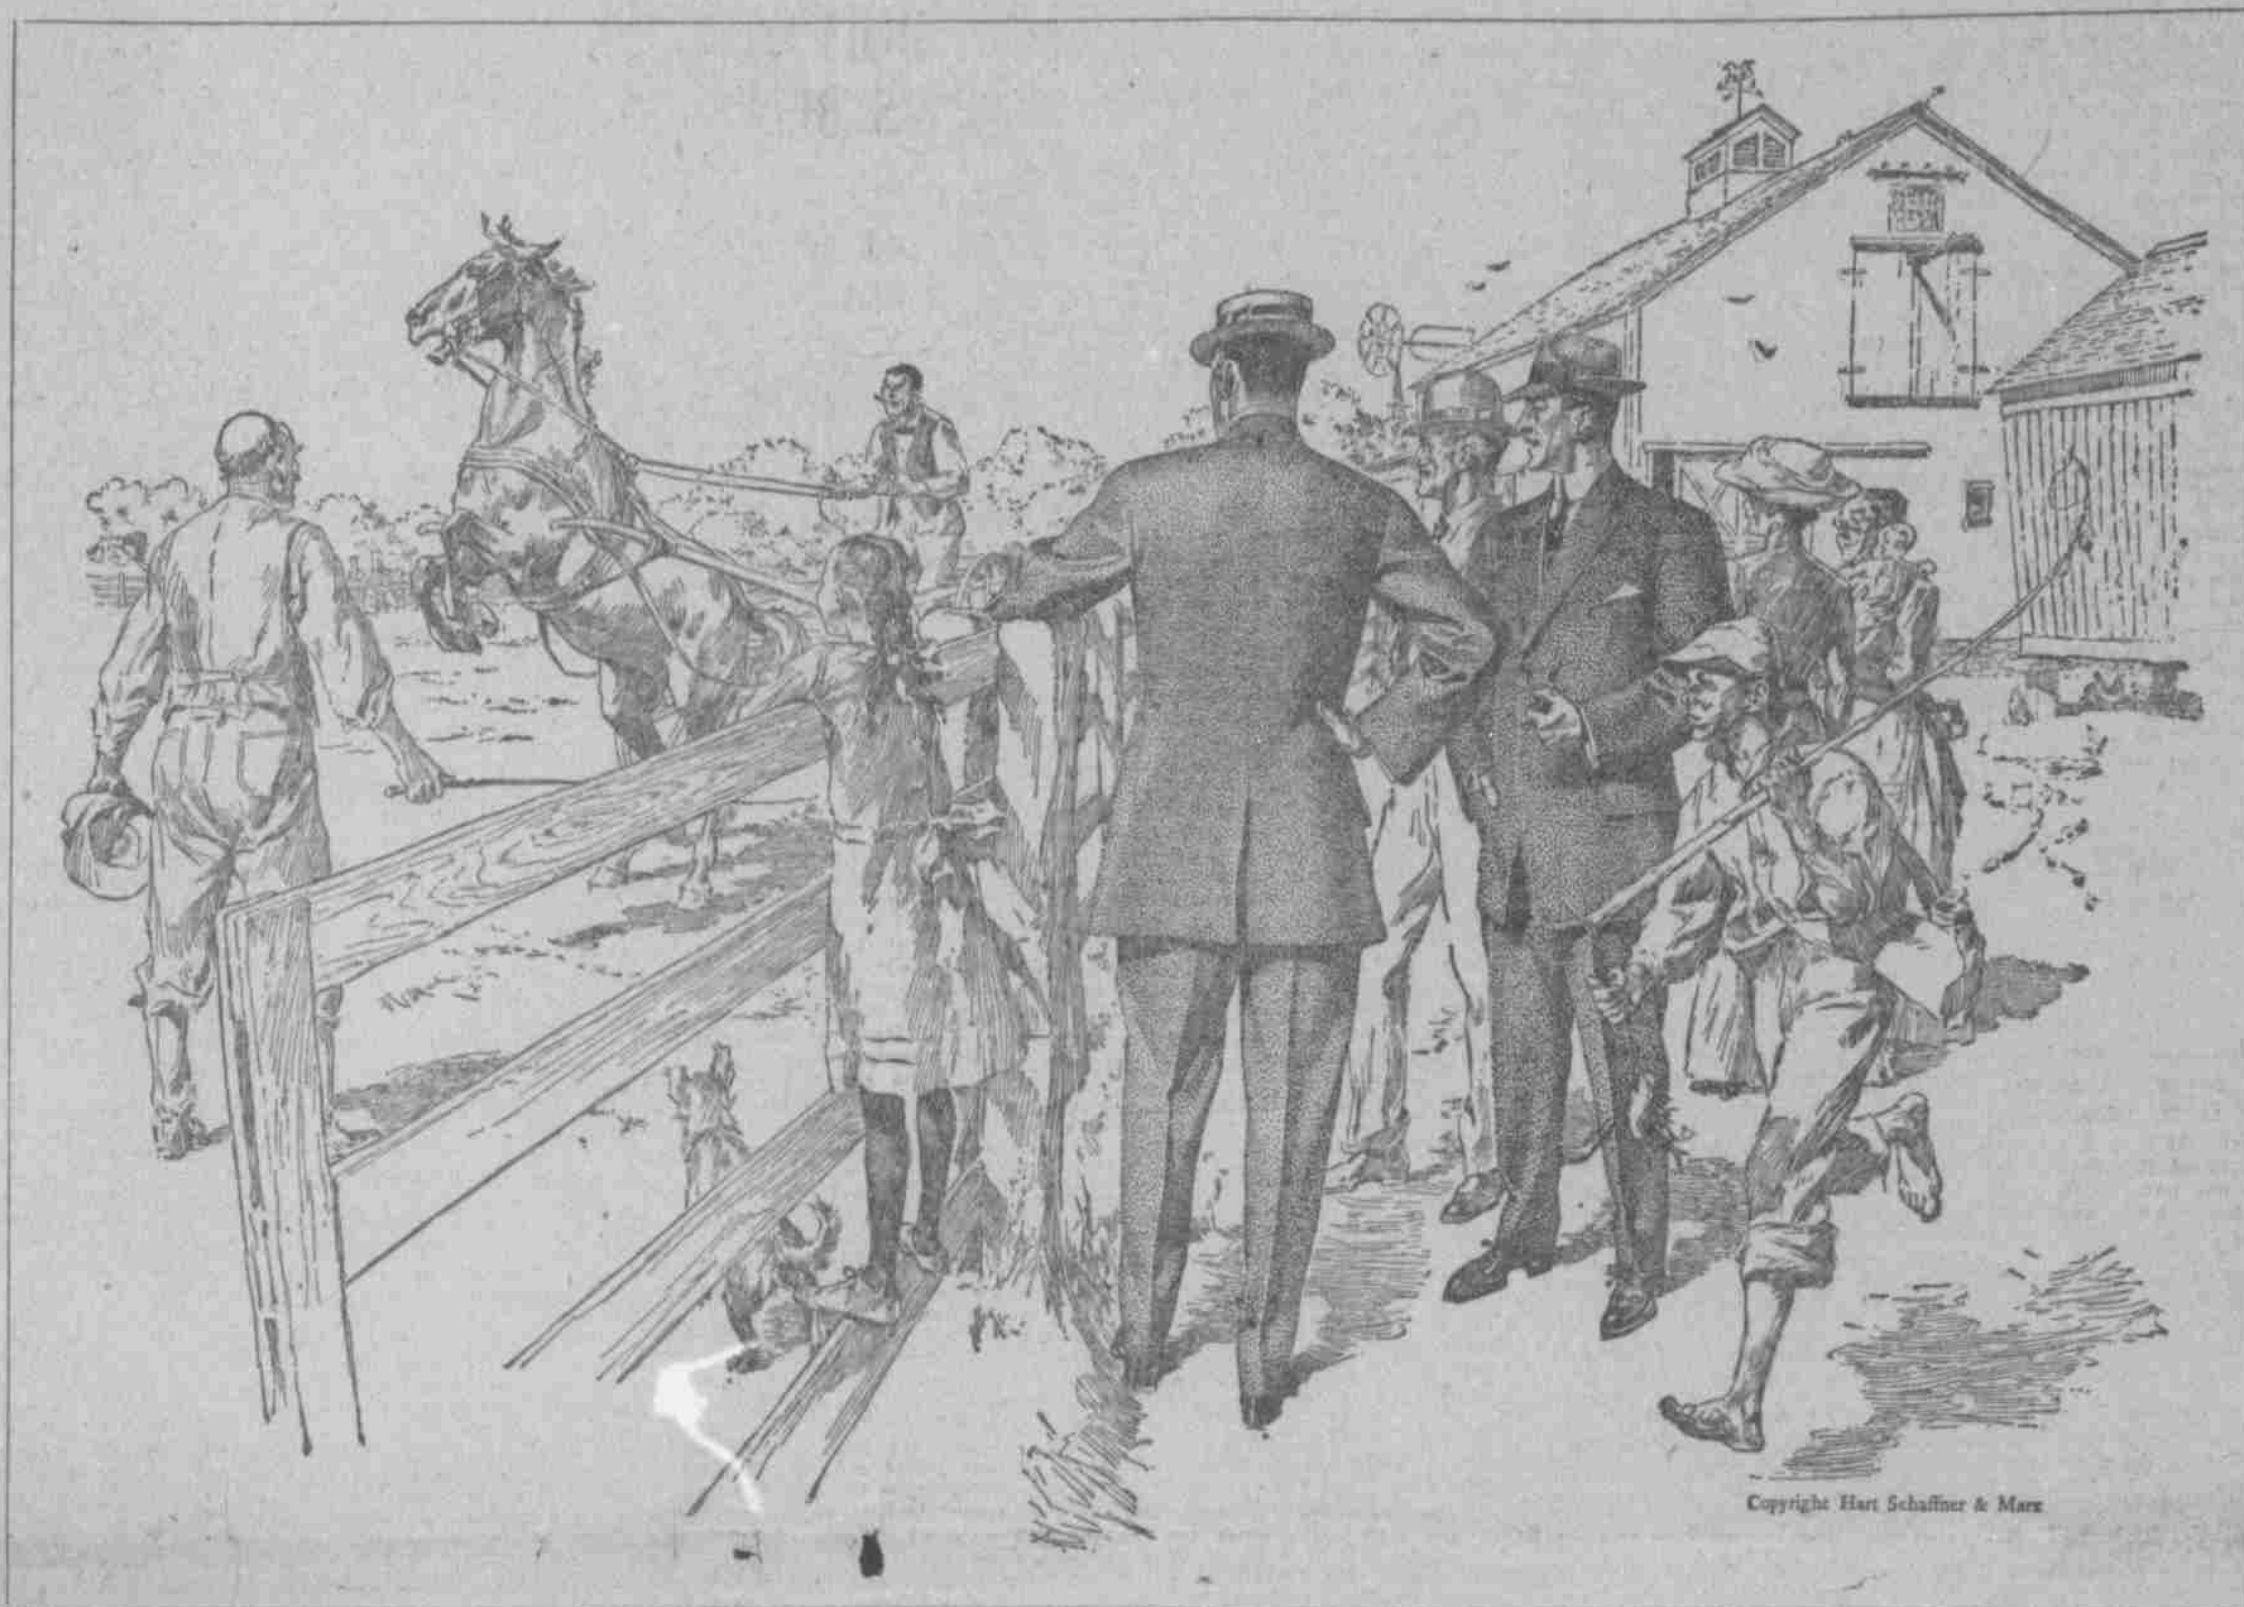

Rutland, May 27.—A meeting has been called for next Wednesday night for the purpose of talking over the advisability and prospect of having Rutland support a baseball team this summer, the object being to have Rutland represented in the Northern league if the league is revived. The sentiment in this city is very strong and baseball fans are confident that a team would be supported. The other cities that are expected to enter the league are Burlington, Montpelier and Barre, making a four town league.

Arthur W. Daly, who is making every effort possible to start the league, stated yesterday that all the cities would support a team, but the only thing lacking is the fact that fans are not anxious to raise enough money at the start of the season with which to secure ball players. There is no question in Mr. Daly's mind that the attendance at all the games would be as large as in the case of the only Northern league and the expenses would be cut down materially.

While driving cattle after dark Saturday night, from Danville to Danville, George Crane of the latter place stepped off the road, broke his leg and dislocated his foot.

Program for Memorial Day!

What will it be for you? If you are prepared for it, it will very probably be a day of pleasure. We can help you prepare for it because we've been preparing for you and your needs for several weeks. Tonight and tomorrow we will prepare a lot of fellows for a day of enjoyment---you're invited.

"Breaking to harness" is pretty lively work some times; but if it's done well, the results are usually good. We've broken a lot of high-spirited young fellows to our clothes—and we expect to keep on doing it. The man we especially like to tackle is the fellow who thinks we can't persuade him that these fine clothes made for us by Hart Schaffner & Marx are better than he gets made to measure; better for him; economy for him; better style; better quality.

We're convincing a lot of just such skeptics right along. The clothes do it; all we have to do is to get them tried on. Men are sometimes a little stubborn about that, but once they get into the clothes, that settles it. They're the best, most economical, most stylish—and about the only clothes that you know are All-wool.

Better put a little more to your hat money and get hat comfort—a Panama.
